Fund Philosophy

The fund is actively managed with the objective to provide growth on a medium term perspective. The fund invests in equities and convertible bonds, fixed and variable-rate bonds and money market securities. Up to 20% of the fund may be invested in sub-investment grade or not rated bonds. Equities and other similar transferable securities may represent up to 70% of the fund and will mostly be international companies. In order to manage foreign exchange and market risk, derivatives may be used.
